## *UCRAB partners with President Janet Napolitano's Oakland Community Scholarships and makes their first scholarship donation to the initiative.*

One of the efforts of the University of California Retirees' Association at Berkeley (UCRAB) is community service. UCRAB sponsors an annual UCRAB Day at the Races at Golden Gate Fields which has funded the UCRAB scholarship fund. Beginning in the year 2004, members who attended the Day at the Races event also contributed to the scholarship fund. This year, we are honored to be a part of President Napolitano's UC Oakland Partnership initiative. Part of the President's initiative is to award scholarships to graduates of Oakland high schools who will be attending a University of California campus in the fall and who have shown dedication to their communities.

The Fall 2014 Scholarship Recipients were honored at an event this past summer. The UCRAB Board and its members are proud to be a part of these young students' future and extend our sincere congratulations to each of them. In addition UCRAB is committed to supporting the President's Oakland Community Scholarship for the next three years. Future events honoring Scholarship

## *News Release from The University of California, Office of the President*

UC Oakland Partnership Awards Six Scholarships to Oakland High School Graduates

The University of California Office of the President is excited to be awarding scholarships this year to six graduates of Oakland high schools who will be attending a UC campus in the fall.

With the help of a generous donation from UCRAB, two future UC Berkeley students, and future Merced, San Diego, UCLA, and Santa Cruz students will each receive a one-year scholarship to help cover expenses from tuition, housing, books, and cost of living. All of these students demonstrated unparalleled service to their communities, each serving more than 600 hours of community service during high school, and many have overcome significant challenges to attain admissions at a UC campus.

As one of the largest employers in downtown Oakland, UCOP's UC Oakland Partnership looks forward to a strong relationship with UCRAB, as it continues to work on this important partnership with the Oakland community.

### ***Medical Matters***

We're pleased to report that the contract dispute between Blue Shield and Sutter Health (to which the University was never a party) has been resolved, ending the concerns and uncertainty of affected UC retirees and employees. Blue Shield's January 30th press release announcing the contract signing said in part, "Blue Shield of California today announced the signing of a new, two-year contract with Sutter Health. Blue Shield is pleased to offer members access to Sutter Health providers and facilities as participating providers effective February 1, 2015 through December 31, 2016."

No further action is required on the part of Blue Shield members who use Sutter Health providers for their medical services.

## *President's Message*

Thanks to the generosity of UCRAB members at our winter luncheon we were able to provide many new toys to brighten the holiday experience for patients at Children's Hospital. In addition, over the years your participation in our annual "Day at the Races" allowed us to award a matching grant with the UC Presidents Office which was given to a worthy recipient this past fall. Our immediate past president, Iola James came up with the idea several years ago to use this event to fundraise. Scholarship committee chair, Patricia Hardy carried this task through to its first successful completion with the current awards. Articles about both of these generous activities are featured in this spring issue of the UCRAB Newsletter.

Most agreed that our holiday luncheon was a success despite a "glitch" that will be corrected next time. His Lordships hosted several groups that day and we all shared the same large special holiday buffet. Since all the restaurant's customers came to the buffet at the same time it made for lines that were too long. This was too much standing for many of us. I have been assured that this will not happen again and that a better job will be done of coordinating the start of the buffet for the different parties at Hs Lordships next year.

As always, I urge our members to send us your suggestions, come to our luncheons, enjoy our trips, and be a part of our special events. We have a lot of fun!

*Kurt Lauridsen, President*

## *Thank you to Board Members and Merchants*

Thank you to our UCRAB Board of Directors for contributing gifts toward the Holiday Party raffle. A number of local merchants from Berkeley and Albany also donated raffle items. The following donated gift certificates to their establishments as follows:

Jupiter Restaurant, 2181 Shattuck Ave. in Berkeley

Little Star Pizza, 1175 Solano Ave. in Albany

Paison Italian Restaurant, 2514 San Pablo Ave. at Dwight Way in Berkeley.

T-Rex BBQ, 1300 10th St. in Berkeley  
Restaurante Valparaiso, 1403 Solano Ave. in Albany.

Thank you also to Vi&Ingrid at 2142 Oxford Hall in Berkeley for donating two handmade pieces of jewelry from their store.

All of you made our raffle a success.

## **In Memoriam - Errol Mauchlan**

University of California Retirement Association at Berkeley (UCRAB) mourns the passing of one of its most distinguished members, Errol Mauchlan. For many years, UCRAB benefited from Errol's wisdom, wit, and practical approach to fiscal matters. We, at UCRAB as well as many other organizations in which he volunteered, will miss him tremendously.

### *UCRAB Trips*

The Yosemite trip is taking place from March 9th through the 11th. The trip was fully booked for our room allocation and it was necessary to develop a waiting list that became as long as our original number of participants. This has become a very popular annual retirees activity.

On Thursday April 16th 2015, you are invited to attend our 13th Annual Day at the Races. If you have never attended you have missed a fun filled day which includes the excitement of betting on a winning race horse (or if not winning this one, perhaps the next?). You'll also be seated in the Turf Club, enjoying a scrumptious buffet luncheon - the buffet menu is on the back of the enclosed registration insert. Add to all of that; free valet parking (wow!).

The ticket price this year is \$41.00 per person, an increase from past years. We held the ticket price for some years but the group cost for attendance has increased by \$5.00 per person.

To attend this event complete the registration insert and return it with payment. I do hope you will join us for the upcoming Day at the Races.

This event is also a fundraiser for our scholarship fund, and a portion from each ticket will go to that cause. As you can see in the scholarship article, the 1st of our scholarships was just awarded! A scholarship will be awarded each year.

Other possible upcoming destinations include the Monterey Bay Aquarium and a 2 or 3 Hour Excursion on the USS Potomac, FDR's "floating White House". Please continue to check your emails for these offerings.
