Q6 - Please list additional topics related to ageism you would be interested in learning about.

Please list additional topics related to ageism you would be interested in...

I am concerned about all cellphones

Appreciating yourself (appearance)

Ageism in healthcare

Resource to combat ageism

Finding humor about growing older

Social support networks

Inter-generational ageism

How to deal with job searches

Diet and Exercise; clothes, legal abuse, scams, finding affordable help, cooking/food delivery, and transportation.

Structural ageism

Why older people take so much medication. Teach older people to do natural products and exercise

Intersection of elder privilege and ageism addressing racism and ageism

Great books with older hero

Avoiding elder abuse and scams

Young (naive) perspectives often clash with elder's experience; how can those two find middle ground to tackle ageism?

Ageism and among/between different ethnics. Ageism in cultures/media etc

How do I stop comparing my physical self to others?

Ageism and the medical world. Ageism and the design of the physical environment

Double ageism- age and racism

Education of the youth in ageism and inter-generational experience.

Elders redesigning their lives, intersection of ageism, poverty, racism, and gender inter-generation.

Please list additional topics related to ageism you would be interested in...

Cultural difference in ageism. Older supervisor discriminates against older workers,

Focus on positive attitudes towards aging. There's too much focus on the negative.

Aging Well

More!

Elder Abuse

How elders are portrayed in media, advertisements, and movies. Inter-generational programs.

Ageism without exclusion of gender and how to remove barriers of binary ageism.

Ageism and Financial Security

Aging and Hearing Loss

Being single at end of life.

Planning and Design

Where/how to live as an elder.

How to help avoid doing it

How to fight ageism in the workplace.

Physiology of aging

Intergenerational initiatives, how to approach the subject in mixed-aged groups.

Q5 - How likely are you to attend a day-long event on ageism and age-related issues

offered by UCBRC in 2020?

#	Field	Minimum	Maximum	Mean	Std Deviation	Variance	Count
1	Please rate	1.00	4.00	1.80	0.86	0.73	66

#	Field	Choice Count
1	Very Likely	42.42% 28
2	Somewhat likely	40.91% 27
3	Somewhat unlikely	10.61% 7
4	Very unlikely	6.06% 4
5	Extremely unlikely	0.00% 0

Q7 - Please share a comment about today's event.

Please share a comment about today's event.

Very good. Ashton was delightful!

Clear presentation, well organized, and thought provoking. Handled questions well.

Great!

Good talk and panel!

Speaker was wonderful- love her wit. Her presentation could have been longer.

Great!Raising discussion

Great- a topic that hasn't been addressed

Interesting, made me think more about their important issues

Wonderful! I was disappointed that Ashton's talk was basically a return of her TED talk. Thank you for this event!

Exceeded expectations! Uplifting and encouraging

Loved the panel!

The speaker was fantastic

Excellent speaker!

Thank you! Great information

Wonderful! Very inspirational

Great speaker

Interesting and appreciated

Wonderful!

The speaker was great but talked too fast.

Very dynamic talk and great questions.

It was very interesting!

Need for interracial mixing and integration in these meetings.

Please share a comment about today's event.

Speaker was good. Like the idea of creating more inter-generational communities.

It was very informative and enjoyable!

Thank you!

Thank you for speaking in Berkeley! :)

Really enjoyed Ashton's insight and enthusiasm

Very good; inspires me to reexamine my own ideas and attitudes of how I speak about myself.

Glad to be here, I heard the TED talk and was grateful for new ideas.

So important

Very informative, some good ideas for personal growth.

Inspirational! I feel energized about being older!

Great Speaker. Made me more eager to reach out for inter-generational opportunities.

Would like to learn medical research in ageism. Panel was interesting, aware of self prejudice.

Excellent! Thank you!

About time!

Excellent topic, speaker, panel, and pastimes.

Loved Ashton's talk- articulate, eye-opening, and funny. Very energizing!

Amazing! :) I'm never going to "retire"!

Interesting and a good learning experience. Too focused on the negatives.

Did not address many questions submitted by audience. some explanations too lengthy.

Inspiring and hopeful.

I appreciate the fact that others experienced what I have. We have to become more active in our own presence and be advocates for change.

Incredible speaker on a much-needed topic. Great to have other community resources available.

Great! Disappointed that younger people did not attend. Was it marketed well?

Important conversation. The writer was very aware of the issue; however, I felt alienated from the conversation once the rhetoric turned toward gender and ageism.

Please share a comment about today's event.

Very Interesting; Bought the Book to Learn More.

Fantastic Presentation; Clear and Thoughtful

Delightful speaker

Very well done!

What's going on in the UCB school and Public Health?

Great talk! Thank you for your research on aging and cognitive health for us groups on inter-generational communities.

Ashton is very funny/entertaining and had a lot of great information. Loved the photo exhibit, especially the Russ Ellis photo/text

Locate events that are accessibly through public transit.

I'm becoming more aware that I am somewhat ageist.

Enjoyed the perspectives and great speaker!

Speaker was Dynamic

Great!

Ashton is a dynamic speaker, perfect for talking about ageism.
