### Director's Notes

You never grow old until you've lost all your marvels." (Merry Browne) Join us for a summer of enjoyable, engaging activities. This year's theme for Older Americans Month (May) is, "Never Too Old to Play." The theme recognizes that older Americans are active and engaged in their communities, benefiting younger generations with wisdom and experience. President Obama, in his proclamation for the month, noted that America endured great trials and heralded defining triumphs over the course of the 20th century, and the men and women who saw us through that time remain among our Nation's greatest assets.

**15th Anniversary Celebratory Event:** Save the date of Oct. 11, 2012, for an event at the Lawrence Hall of Science with a Nobel Laureate. UC President Mark Yudof and Chancellor Robert Birgeneau headline the Honorary Committee. See the enclosed flyer.

**UC Advocacy – Crucial Action Needed Now:** With the release of the Governor's state budget, it is a crucial time for UC advocates to speak up and urge support for this great public university system. Go to <http://atyourservice.ucop.edu/news/general/1205-message-from-president-yudof-on-state-budget.html> to read President Yudof's call for action.

**Annual Summer BBQ:** See p. 6 for information about enjoying great food and wonderful company at our free annual summer BBQ in Tilden Park on July 26.

**Learning in Retirement (LIR) Ansel Adams and Clark Kerr:** See p. 6 for advance notice about an early September LIR on the work of Ansel Adams to imagine the future of the UC system through photography, and Sheldon Rothblatt's book, *Clark Kerr's World of Higher Education Reaches the 21st*

*Century.*

**Pilot Volunteer Effort with Coming of Age: Bay Area:** UCBRC has completed a Memorandum of Understanding with Coming of Age: Bay Area (<http://www.comingofage.org/bayarea/>). A pilot effort will enable UCBRC to explore community-based volunteer and service opportunities offered to retirees through Coming of Age: Bay Area's established volunteer program. More information about implementing the effort will be coming soon.

**Older Adult Retirement Housing:** The University has entered into an agreement with Belmont Village (<http://www.belmontvillage.com/>) to construct an independent, assisted and memory care rental facility on University property in Albany, CA. Preliminary discussions are underway about an affiliation agreement to establish a mutually beneficial partnership that positions the parties as leaders in the field of University affiliated age-related housing and promotes new models for older adult living options.

**New Memorial Stadium and Other Tours:** See p. 3 for information about seeing firsthand the construction of the new Memorial Stadium. Tour spaces are very limited. Also on this page read about tours of Doe Library and the Botanical Garden.

**Retiree of Distinction:** See p. 5 to read the latest addition to the list of Retirees of Distinction.

**Other Summer Opportunities:** See p. 4 for the Eldercare Summer Workshops, the Berkeley Art Museum Tour and Tea and Fidelity workshops and p. 7 for UCRAB day trips *Beans and Buds* and *Delta Cruise*.

From all of us at the Center, enjoy the marvels this summer brings.

*Patrick C. Cullinane, Director*

### SUMMER TOURS

The Retirement Center is excited to bring you several tours around and about campus this summer. Each of these free tours requires advance registration to attend. Please see the requirements for each tour, as some restrictions do apply. Retirees may purchase a “C” campus parking permit for \$5 to attend any of the events below; please see p. 7 for more details. We hope to see you soon!

#### Memorial Stadium Tours

Thursdays, June 14 and 21 at 3pm, and Fridays, June 15 and 22 at 10am  
Cosponsored by the UCB Retirement Center and UCB Capital Projects

Originally completed in 1923, Memorial Stadium is undergoing seismic, safety and programmatic upgrades. We hope you can join us for this special preview of the upgraded stadium, which may include the playing field, plaza and concourse levels, seating bowl, and pressbox.

- All attendees need to wear work boots and long pants. Hard hats, safety vests and glasses will be provided.
- There is considerable walking required on this tour, including climbing the stadium bleacher steps and other stairways. All participants need to be able to navigate stairs and constricted spaces.
- Parking is limited on Centennial Dr. (permit required). Consider taking the “H” shuttle from BART for \$1.00.

Advance registration is required; request a registration packet from the Retirement Center, 510-642-5461 or [ucbrc@berkeley.edu](mailto:ucbrc@berkeley.edu), to register. **Registrations will not be considered final until packet is received** at the Retirement Center. Tour spaces are very limited and will be filled “first-come, first-served.” Guests are restricted to spouse or partner.

#### Doe Memorial Library Tours

Tuesday, June 5, 10am - 11:30, and Wednesday, July 11, 2pm-3:30

The Doe Memorial Library is Cal's primary library for humanities, social sciences, and international and area studies. Named after its benefactor, Charles Franklin Doe, it was designed by John Galen Howard in the Beaux Arts style and was completed in 1911. The Doe/Moffitt libraries house both the undergraduate and Gardner Main Stacks collections as well as the Morrison Library, Art History/Classics Library, and the South/Southeast Asia Library.

After the tour, retirees will be given the opportunity to get a UC Berkeley Library card if they do not already have one. You must bring your Retiree ID and photo ID with you to the Library if you plan to obtain a card. If you do not yet have a Retiree ID, please request one when you register for this program.

Advance registration required. To register, call 510-642-5461 or email [ucbrc@berkeley.edu](mailto:ucbrc@berkeley.edu). Space is limited.

#### UC Botanical Garden *Plants of the World* Tour

Monday, July 9, 2pm

Established in 1890, the UC Botanical Garden at Berkeley has over 13,000 different kinds of plants from around the world, cultivated by region in naturalistic landscapes over its 34 acres. Join us for a free, docent-led tour of the Garden's collection, including environments as diverse as deserts, tropical forests, redwood forests, and wetlands.

A University parking lot about 50 yards up the hill and across the road from the Garden entrance offers **very limited** parking. Parking is \$1.50 for one hour and \$0.50 for each half hour thereafter. Be mindful of the time, as this lot is patrolled regularly by UC Parking & Transportation. Carpooling is encouraged, as parking is limited. You may also take the “H” campus shuttle from BART or the Hearst Mining Circle for \$1.00.

Since weather in Strawberry Canyon can be unpredictable, jackets or sweaters are a good idea. The site is hilly with many unpaved paths. Wear sturdy walking shoes. This tour will take place rain or shine.

Advance registration is required; call 510-642-5461 or email [ucbrc@berkeley.edu](mailto:ucbrc@berkeley.edu) to register. Guests are encouraged to attend this special free event! **Please register by June 15.**

### EMERITI AND RETIREES OF DISTINCTION

#### Iola James – Distinguished Retiree

*Iola James is known for her leadership, inexhaustible energy and the warmth and support that she shares with the UC Retirees' Association at Berkeley (UCRAB) and other University committee and policy board members.*

Iola graduated from San Francisco State University, armed with a BA Degree in Elementary Education. Soon after graduation, Iola accepted a position in the Public Relations Department of Pacific Telephone and Telegraph in San Francisco. She became the Sports Editor for the company newspaper and wrote the "Bay Area Beat," column, featuring company "gossip" and current events.

After many years of commuting to San Francisco, a friend suggested that Iola consider a career at UC Berkeley. Iola applied for a position in the Agricultural Extension Services Department and because of her previous experience, became the Editor for the Agricultural Extension Services newsletter. She later accepted a position in the Office of Admissions and Records. Sensing that Campus would be her career employer, Iola later settled in the College of Engineering where she became Manager of the Undergraduate Student Affairs Office and Assistant to the Associate Dean. Iola retired from the College of Engineering after 30 years of campus service. Counseling and advising young engineering students remains the highlight of Iola's Campus career.

While working in the College of Engineering, Iola was elected as president of the Berkeley Campus Black Staff and Faculty Organization. Iola and members of (BSFO) met with the Chancellor and other administrators to present their unique needs and concerns. Iola was an Executive Committee Member of the National Forum for Black Public Administrators' Oakland-San Francisco Bay Area Chapter and received the (NFBPA) distinguished

Outstanding Chapter Services Award.

Iola planned to work after retirement, as she couldn't imagine just "sitting around" at home. Within one week after retirement, she started working part-time in Public Relations and has since worked for several agencies including the San Francisco Convention and Visitor's Bureau. Iola continues to enjoy her PR work.

Iola has served two terms as President of UCRAB and has served on the Executive Board for 10 years. In addition to being UCRAB President, Iola is the Trip Coordinator, offering members wonderful travel excursions throughout the Bay Area and beyond. Members and their guests regularly express their gratitude for her trips. Iola is also a representative on the Council of University of California Retirees' Associations (CUCRA) and a member of the UCB Retirement Center's Policy Board. She has been the (UCRAB) representative to the Association of Retirement Organizations in Higher Education (AROHE).

Iola is very active in the community. She is the President of both the Patrons of The Arts and Humanities of the Bay Area, Inc. and the C'est La Vie Social and Civic Club. She is a volunteer ambassador for the Lend A Hand Foundation. She is the past-President of the Oakland Dalian, China Sister City Society. She is an active lifetime member of the National Council of Negro Women. Most notable is her commitment to the Berkeley Bay Area Alumnae Chapter of Delta Sigma Theta Sorority, Inc., an international organization with a membership of over 200,000 women, where Iola has served as Chapter President and been appointed to national and regional committee positions. The Deltas will celebrate their Centennial in 2013 and Iola is very much a part of the planning for this historical event.

Iola loves to travel and has visited Egypt, Senegal, Mali, Ivory Coast, Mexico, Western Europe, Greek Isles, the Bahamas, Jamaica, Japan, China, Haiti, Trinidad, Tobago, Puerto Rico, Canada, and across the US.

The love of Iola's life is her daughter Monica, a UC Berkeley Alumna, and her three wonderful grandchildren. Her beloved husband of 25 years, Albert, passed away several years ago. Iola enjoys the closeness of her family, who reside in the area and she sees often.

"Isn't it great to be retired?" -- Iola James

### LEARNING IN RETIREMENT

#### Ansel Adams and Clark Kerr

Organized by Professor Emerita Louise George Clubb

In 1963 President Clark Kerr commissioned Ansel Adams to imagine the future of the UC system by photographing 1,000 images. Adams became so captivated by the project that he produced 6,700 negatives and 605 signed prints, all of which the Regents own. The culmination of the commission was a book entitled *Fiat Lux* published in 1967 in collaboration with the writer Nancy Newhall for the UC Centennial. Now, in Fall 2012, fifty years into the future that Clark Kerr envisaged, The Bancroft Library is opening the *Fiat Lux Redux* exhibition, displaying the *Fiat Lux* images as a collection for the first time on the Berkeley campus.

Not long before the opening of the exhibition Sheldon Rothblatt's book entitled *Clark Kerr's World of Higher Education Reaches the 21st Century: Chapters in a Special History* will be published. These two events evoking both the past and the future of the University invite discussion from all quarters of the University.

#### Lecture 1, Tuesday, September 4, 2pm

Catherine Cole, Professor of Theater, Dance and Performance Studies, UC Berkeley, "Photographs from Futures Past: Ansel Adams' Vision of the University of California's Future"

#### Lecture 2, Tuesday, September 11, 2pm

Sheldon Rothblatt, Professor Emeritus of History and former Director of The Center for Studies in Higher Education, UC Berkeley, "Clark Kerr and His World in the 21st Century"

There are no enrollment fees for Learning in Retirement (LIR) courses, but advance registration is required. Please call the Center at 510-642-5461 or email [ucbrc@berkeley.edu](mailto:ucbrc@berkeley.edu) to register; course location will be provided with your confirmation. Parking information for Center-sponsored events can be found on p. 7.

### GOODBYE TO OUR GRADUATING WORKER BEES

The Retirement Center would not function without our dedicated work study student staff. Four of our worker bees graduated this spring, and we will miss them tremendously. These talented and intelligent youth are our first line of communication to the retirement community, and if you've called the Center, you've no doubt talked to one:

- Bill Chen, Economics, was accepted to Teach For America, and will teach elementary school in Kona, Hawaii.
- Jen Le, Psychology, will work at the Center through the summer and then study abroad in Korea next fall.
- Dior Sweeney, Society and Environment, will work as an RA in Unit 2 this summer and study in Italy next fall.
- Yen Vu, French and Psychology, has been accepted to NYU, where she will earn her Masters in French.

Thank you for your hours of hard work, your thoughtful input, friendly personalities and positive attitudes. We'll miss your dedication and diligence, your humour and friendship. Best wishes for a bright future!
