Renewing Passion and Purpose

*After 50 + years, of living at work,
Friday the 30th of March I retired.
Saturday the 31st of March I begin
working at living."*

Re-engagement

- ☞ *Sometimes retirement is more challenging than anticipated. Some reinvent themselves and undergo a transformation into a fulfilling new life.*
- ☞ *“The biggest misconception is that retirement’s going to be perfect without any planning... like something magical will happen> Retirement can be a fantastic life stage. But don’t show up on retirement day and then try to figure it out”*
