1	Since I help to take care of grandkids, I would love to be able to take classes on line.	2/1/2017 5:03 PM
2	Living 150 miles from UC makes it difficult. I wish I could participate in the many interesting activities.	10/24/2016 7:58 PM
3	Need to advocate for keeping health care costs down for retirees.	10/9/2016 2:47 PM
4	Advocacy on behalf of UC retirees who were too late for good post-retirement healthcare programs. Some people retire with a golden parachute healthcare plan, and some retire with no healthcare coverage at all. These were usually staff retirees, with lower pay and who could least afford it.	10/5/2016 3:21 PM
5	Ask UCOP to look into the interest level and feasibility of offering a home care ("Sitter City") type program for retirees. There is one for employees.	10/4/2016 6:44 PM
6	Talk to community groups like Rotary etc. re UC on Budget matters.	10/4/2016 5:47 PM
7	A repeat of UC President's State of the University talk would be welcomed.	10/3/2016 9:47 PM
8	Most of the events are at UC Berkeley. Would like to see some in San Francisco.	10/3/2016 8:07 PM
9	Keeping a good range of health care options. UC is changing back to Anthem Blue Cross after offering Blue Shield for a relatively short time. They say it's to cut costs, but Anthem's benefits are terrible, and they generate far too much paper! Options are limited if you live outside Kaiser's service area.	10/3/2016 2:07 PM
10	I live in Oregon and so most of the offerings are unavailable to me. If some of the activities were offered as webinars or through some other online learning resource I could participate.	10/3/2016 1:36 PM
11	Wish there was an online community bulletin board for the community of UC retirees. I'd love to know if there are any support groups for fiction writers or uke jams.	10/3/2016 10:33 AM
12	The Office of the President does not value either its retirees nor its long-time employees. There must be a culture change there before anything of value will be accomplished.	10/3/2016 8:48 AM
13	Just do more of what you are doing. I do like social events at the UCB Faculty Club	10/3/2016 8:38 AM
14	More ongoing information about the status of UCRP would be appreciated.	10/3/2016 8:29 AM
15	Continuing medical benefits in retirement since it is not guaranteed	10/3/2016 7:53 AM
